

Doctor of Laws, honoris causa, February 5, 1996

Treasurer ~

It is my pleasant duty to request that you confer upon
The Right Honourable Ramon John Hnatyshyn the degree
of Doctor of Laws honoris causa.

Over the 39 years since his call to the bar in Saskatchewan,
his career has exemplified one of the highest traditions
of our profession, that of public service and he has
done so with great distinction.

He has earned the high esteem which he enjoys not
through the mere occupation of high office but by his
years of dedication to the fulfilment of the obligations
and duties he assumed as a practitioner, a law lecturer,
President of the Law Society of Saskatchewan, Member of
Parliament, Minister of the Crown and, most particularly,
the office of Governor General and Commander-in-Chief
of Canada.

His career in politics and law and his record of service
to his clients, his community and the people of Canada
redound not only to his credit but to the credit of the
entire legal profession. He is truly deserving of the
degree of Doctor of Laws honoris causa.
